To the Voters of New Hanover County : Gentlemen-The time will soon come when you will have the opportunity of electing some person to fill the office of High Sheriff of your County. From the support I have heretofore Cray, N received from you, and the solicitations of many friends, I again appear before you for the office. I deem it useless to enter into any de- Dawson, H C tails of a political character, being well satis- Datt, Gen W fied that most of you (if not all) know well Dudley, Elizabeth what mine are. But as I have said on former Dew, Noey ceasions, political opinions should not have any influence in your selection of a person to Evans, Thos S fill the office. Your enquiry, in my opinion, Edwards, B J should be, is he capable, will he discharge the duties of the office honestly, and without re- Fenner, Robert spect to persons.
